Procedure

22 | Using Competitions in ELT
Halis Bereket · BEREKET ELT Archive

1. Using Competitions in ELT

Introduce the topic and the archive.

2. The classroom experience

Describe the three-team classroom arrangement.

3. The learning purpose

Ask participants to name a learning purpose.

4. Competition formats

Introduce the range of archive examples.

5. Small teams

Demonstrate rotating team roles.

6. A clear round

Run one unscored practice question.

7. Fair participation

Discuss ways to include quieter learners.

8. A test without listening

Open example 10 and demonstrate the written test.

9. Answer review

Ask teams to explain one answer.

10. Vocabulary rounds

Show a selected vocabulary example.

11. General knowledge

Show the general knowledge format.

12. Listening rounds

Explain playback conditions and answer evidence.

13. Video rounds

Show the video-task format and discuss preparation.

14. Spelling and spoken responses

Introduce spelling and the Yes / No Contest.

15. Excel scoring

Open examples 08 and 09 to show scoring.

16. Mustafa Yücedal

Acknowledge Mustafa Yücedal’s contribution.

17. Scoring choices

Discuss scoring and ties.

18. A participant task

Groups design and share a short round.

19. After the competition

Close with a brief language review.

20. Thank you

Close the seminar and introduce the downloadable materials.
