# Grade 5 Theme 5 Test 4

## Life in the Neighbourhood and City

Neighbourhood and City Reading

Name: _____ Class: _____ Date: _____

**Choose the correct answer.**

**Read** the text for the next five questions.

My name is Cansu. I live in a flat near the city square. There is an art gallery opposite our building and a sports centre beside it. I play tennis there on Tuesdays. Our neighbourhood is busy, but we can walk to most places. My favourite place is the library because I love adventure books.

1. What kind of home does Cansu live in?

   A) A castle. B) A caravan. C) A flat.

2. What is opposite Cansu's building?

   A) An art gallery. B) A bakery. C) A tower.

3. When does Cansu play tennis?

   A) On Sundays. B) On Tuesdays. C) Every morning.

4. Why is the library Cansu's favourite place?

   A) She plays tennis there.
   B) She lives inside it.
   C) She loves adventure books.

5. Which statement is true about Cansu's neighbourhood?

   A) It is busy, but many places are within walking distance.
   B) Cansu needs a car to go everywhere.
   C) There are no places for sport.

### Life in the Neighbourhood and City

Neighbourhood and City Reading

**Choose the correct answer.**

**Read** the text for the next five questions.

My family is choosing a home. Flat A has three bedrooms and a balcony. It is near the city square, but the street is noisy. House B has two bedrooms and a small garden. It is farther from the square but quieter. My parents prefer House B because they want outdoor space. They do not need three bedrooms.

6. Where is Flat A?

   A) By the coast. B) Near the city square. C) In a forest.

7. How many bedrooms does House B have?

   A) Three. B) Four. C) Two.

8. Which home is quieter?

   A) Flat A. B) They are equally quiet. C) House B.

9. What do the parents want?

   A) Outdoor space. B) Three bedrooms. C) A noisy street.

10. Why do the parents prefer House B?

    A) It has more bedrooms than Flat A.
    B) It has a garden and is quieter.
    C) It is nearer the square than Flat A.
