    A) orbit B) flavour C) harvest

Read the text and answer questions 16 to 20.

A FESTIVAL WITH LESS WASTE

A village near our town is holding a food festival this weekend. Visitors can take a free shuttle from the railway station because parking space is limited. The organisers are asking people to bring reusable bottles. Water refill points will be available near the entrance. Each food stand will explain where its ingredients come from. Students will guide visitors and collect feedback. The organisers say that if the system works well, they will use it at future events. They want to celebrate local food while producing less rubbish.

16. Why is a shuttle provided?
    A) The railway station is closed.
    B) Visitors cannot enter the village.
    C) Parking space is limited.

17. What should visitors bring?
    A) Reusable bottles B) Their own chairs C) Printed feedback forms

18. What can visitors learn at food stands?
    A) Where the ingredients come from
    B) How much the railway earns
    C) Who owns each parked car

19. What will happen if the system works well?
    A) The festival will stop.
    B) It will be used at later events.
    C) The refill points will be removed.

20. Which title best fits the text?
    A) Building a New Railway
    B) Celebrating Food More Sustainably
    C) A Competition for Drivers
